1977.24.30	Fragment of burnt bone	M America	Belize?	Belize Valley? Barton Ramie Estate? Mound BR-96?	Maya	Donated 1977	Marcus Chambers
1977.24.31	Fragment of burnt bone	M America	Belize?	Belize Valley? Barton Ramie Estate? Mound BR-96?	Maya	Donated 1977	Marcus Chambers
1977.24.32	Fragment of burnt bone	M America	Belize?	Belize Valley? Barton Ramie Estate? Mound BR-96?	Maya	Donated 1977	Marcus Chambers
1985.49.181.1 - 9	String of 9 carved vertebrae, possibly human.	M America	Mexico;		?Mtec Post-Classic	Transferred 1985	Wellcome Institute (Wellcome Historical Medical Museum)
[1887.1.375.1]	Scalp and hair [not located]	N America	Canada;		Plains Blackfoot	Transferred 1886	Oxford University Museum of Natural History
1884.114.112	Wooden dance mask with carved face, human hair and glass eyes.	N America	Canada;	British Columbia Vancouver Island? NW Coast	NW Coast ?Nuu-Chah-Nulth	Donated 1884	Augustus Henry Lane Fox Pitt Rivers founding collection
1884.65.4	Large wooden mask, painted pink flesh colour, with human hair on head and glass eyes.	N America	Canada;	British Columbia Nootka Sound Vancouver Island NW Coast	NW Coast Nuu-Chah-Nulth	Donated 1884	Augustus Henry Lane Fox Pitt Rivers founding collection
1884.86.2	Human cranium, the shape of which has been modified by lengthening the parietals.	N America	Canada;	British Columbia NW Coast Vancouver Island	NW Coast ?Nuu-chah-nulth	Donated 1884	Augustus Henry Lane Fox Pitt Rivers founding collection
1884.86.4	Human cranium, the shape of which has been modified according to local cultural practice showing elongation of the entire calvaria.	N America	Canada;	British Columbia NW Coast Vancouver Island	NW Coast Kwakwaka'wakw	Donated 1884	Augustus Henry Lane Fox Pitt Rivers founding collection
1887.1.375.2	Hair sample.	N America	Canada;		Plains Blackfoot	Transferred 1886	Oxford University Museum of Natural History
1887.33.10	Human cranium, the shape of which has been modified according to local cultural practice.	N America	Canada;	British Columbia Vancouver Island	NW Coast	Loaned 1887 [?]	Christ Church, Oxford (via Department of Comparative Anatomy, University Museum, Oxford (later Oxford University Museum of Natural History))
1887.33.11	Human cranium, the shape of which has been modified according to local cultural practice.	N America	Canada;	British Columbia Vancouver Island	NW Coast	Transferred ?1887	Oxford University Museum of Natural History (Comparative Anatomical Department)
1887.33.12	Human cranium, shape modified according to local cultural practice. A wedge-shaped section is missing from the upper frontal consistent with bladed instrument damage.	N America	Canada;	Nootka Sound Vancouver Island British Columbia NW Coast	NW Coast	Loaned 1887 [?]	Christ Church, Oxford (via Department of Comparative Anatomy, University Museum, Oxford (later Oxford University Museum of Natural History))
1889.8.1	Human child's cranium, the shape of which has been modified according to local cultural practice.	N America	Canada;	Vancouver Island British Columbia	NW Coast Salish Cowichan	Donated May 1889	Franz Boas
1910.29.1	Human skull (with lower jaw) There does not appear to be any modification.	N America	Canada;	Ontario Point Edward (Samia)	NE Woodlands	Donated October 1910	Edward Burnett Tylor
1912.38.1	Costume doll, male, wearing a red wool coat, cotton undergarments, leggings, moccasins and headress. Human hair.	N America	Canada;	New Brunswick	NE Woodlands Wabanaki Maliseet	Donated 1912 10	F.C. Woodforde possibly Francis Cardew Woodforde
1913.83.1.1 - 2	Human skull comprised of cranium [1913.83.1.1] and mandible [1913.83.1.2].	N America	Canada;	Manitoba or Ontario Winnipeg River unnamed burial mound	NE Subarctic Ojibwe	Loaned 1913 10 29	Henry Newton Dickson
1917.23.19	Specimen of human hair. Apparently from a 'mask worn in the dances'.	N America	Canada;	Gulf of Georgia	NW Coast	Donated 1917	James S. (possibly Sweetland) Dallas per William Johnson Sollas
2004.18.33	Female doll of wood dressed in fur clothing and with removable boots, with a removable small 'baby' doll behind her head, inside the hood of her top. Human hair.	N America	Canada;		Inuit	Donated January 2004	Bent Eider Juel-Jensen and C. Mary Juel-Jensen
2004.18.34	Model of a wooden cradle with small doll inside. Possibly human hair.	N America	Canada;			Donated January 2004	Bent Eider Juel-Jensen and C. Mary Juel-Jensen
1884.86.3	Human cranium, the shape of which has been modified according to local cultural practice with flattening at the back.	N America	Canada,United States of America;	NW Coast	NW Coast	Donated 1884	Augustus Henry Lane Fox Pitt Rivers founding collection
1884.86.5	Human skull, the shape of which has been modified according to local cultural practice.	N America	Canada,United States of America;	NW Coast	NW Coast	Donated 1884	Augustus Henry Lane Fox Pitt Rivers founding collection
1886.1.822	Human scalp trophy.	N America	Canada,United States of America;			Transferred 17 February 1886	Ashmolean Museum
1886.1.860	Sinew-backed bow. With human hair.	N America	Canada,United States of America;	NW Coast?	?NW Coast	Transferred 17 February 1886	Ashmolean Museum
1886.21.28	Human scalp trophy.	N America	Canada,United States of America;			?Transferred 1886	Christ Church, Oxford [Dr Pope's Box] or Ashmolean Museum or Oxford University Museum of Natural History (Comparative Anatomical Department)
1887.32.3	Robe decorated with designs of pipes and hair locks.	N America	Canada,United States of America;		N Plains	Donated 1887 but found unentered 24 March 2003	Henry Nottidge Moseley
1893.67.193	Human cranium, the shape of which has been modified according to local cultural practice with parietal, occipital and frontal deformation.	N America	Canada,United States of America;		NW Coast Salish	Purchased March 1893	Edward Martin Hopkins
1893.67.4	Deer-skin shirt with quillwork decoration of circles on chest, back, shoulders and elbows, back of sleeves, neck and shoulders fringed with hair locks.	N America	Canada?,United States of America?;		Plains Blackfoot ?Piegan	Purchased 1893	Edward Martin Hopkins
1884.35.27	Human mandible found within a pottery vessel. The records for the vessel and mandible are [1884.35.27.1 - 2]	N America	United States of America;	Midwestern USA Illinois St Clair County unnamed mound	NE	Donated 1884	Augustus Henry Lane Fox Pitt Rivers founding collection
1886.1.821.1	Circular buffalo-hide shield edged with red flannel, with feathers attached and human scalp.	N America	United States of America;		S Plains Comanche	Transferred 17 February 1886	Ashmolean Museum
1887.1.234	Specimen of human hair in a wood and glass frame.	N America	United States of America;	Idaho	Plateau	Transferred ?1886	Oxford University Museum of Natural History
1887.1.235	Specimen of human hair in wood and glass frame.	N America	United States of America;	Idaho	Plateau	Transferred ?1886	Oxford University Museum of Natural History
1887.1.236	Specimen of human hair in wood and glass frame.	N America	United States of America;	Idaho	Plateau	Transferred ?1886	Oxford University Museum of Natural History
1887.1.237	Specimen of human hair in wood and glass frame.	N America	United States of America;	Idaho	Plateau	Transferred ?1886	Oxford University Museum of Natural History
1887.1.238	Specimen of human hair in round glass-topped box.	N America	United States of America;	Idaho	Plateau	Transferred ?1886	Oxford University Museum of Natural History
1887.1.674	Specimen of human hair in wood and glass frame.	N America	United States of America;	Arizona	SW ?Pueblo ?Hopi ?Walpi ?Hualapai	Transferred 1886	Oxford University Museum of Natural History
1887.1.675	Specimen of human hair in wood and glass frame.	N America	United States of America;	Arizona	SW ?Pueblo ?Hopi ?Walpi ?Hualapai	Transferred 1886	Oxford University Museum of Natural History
1887.1.676	Specimen of human hair in wood and glass frame.	N America	United States of America;	New Mexico	SW Pueblo Zuni	Transferred 1886	Oxford University Museum of Natural History
1887.1.677	Specimen of human hair in wood and glass frame.	N America	United States of America;	New Mexico	SW Pueblo Zuni	Transferred 1886	Oxford University Museum of Natural History
1887.1.678	Specimen of human hair in wood and glass frame.	N America	United States of America;	New Mexico	SW Pueblo Zuni	Transferred 1886	Oxford University Museum of Natural History
1887.1.679	Specimen of human hair in wood and glass frame.	N America	United States of America;	California	SW Mohave	Transferred 1886	Oxford University Museum of Natural History
1887.1.680	Specimen of human hair, in glass-topped box.	N America	United States of America;	California	SW Mohave	Transferred 1886	Oxford University Museum of Natural History
1887.1.681	Specimen of human hair in wood and glass frame.	N America	United States of America;	Oregon	Chetco	Transferred 1886	Oxford University Museum of Natural History
1887.33.13	Human cranium showing cultural deformation across the entirety. With an unusual ridge at the highest part of the frontal (on the top of the cranium).	N America	United States of America;	Western USA Oregon Clatsop County Astoria Columbia River unnamed cemetery		Transferred ?1887	Oxford University Museum of Natural History (Comparative Anatomical Department)

Accession Number	Description	Continent	Country	Region	Cultural Group	Acquired	PRM Source
1887.33.14	Human calvaria, cracked in several areas. Pronounced cultural modification, creating high domed and flattened parietals.	N America	United States of America;	Midwestern USA Illinois unnamed mound	NE	Transferred 71887	Department of Comparative Anatomy, University Museum, Oxford (later Oxford University Museum of Natural History)
1887.33.15	Human calvaria, showing signs of flattening of the parietals, cultural deformation.	N America	United States of America;	Arkansas White River	Plains	Transferred 71887	Oxford University Museum of Natural History (Comparative Anatomical Department)
1893.67.18	Human scalp trophy. For the nearly complete trophy see [1893.67.18. 1], for the small section of scalp which has become detached from the whole see [1893.67.18. 2].	N America	United States of America;	Washington State? Oregon? Mouth of Columbia River	Plateau	Purchased 3 1893	Edward Martin Hopkins
1896.54.53	Female pottery doll, painted, with beaded necklaces and hair on head, around the waist the doll has plant fibre skirt bound with blue string.	N America	United States of America;	New Mexico	SW Pueblo Zuni	Loaned and then Donated 1896	Amabel Nevill Sollas also known as Mrs Henry Nottidge Moseley and Mrs William Johnson
1910.29.2	Male cranium with some occipital flattening.	N America	United States of America;	Southern USA Texas Red River	?Plains ?SW Pueblo	Donated October 1910	Edward Burnett Tylor
1910.42.19	Pottery doll, painted, beaded necklaces, earrings and hair on head, cut with a forehead fringe and styled with plaits.	N America	United States of America;	New Mexico	SW Pueblo Zuni	Donated December 1910	Edward Burnett Tylor

2007.25.8	Specimen of hair.	N America	United States of America;	New Mexico Santa Fe		Found unentered 27 February 2007	Beatrice Blackwood
1884.106.38	Specimen of human hair in wood and glass frame.	N America	United States of America;Canada;	NW Coast	NW Coast	Donated 1884	Augustus Henry Lane Fox Pitt Rivers founding collection
1887.33.16	Human cranium, the shape of which has been modified according to local cultural practice.	N America	United States of America;Canada;	NW Coast	NW Coast	Transferred 1887	Oxford University Museum of Natural History (Comparative Anatomical Department)
1893.67.1	Hide shirt painted with motifs of bows, guns and knives etc. Elaborately quilled on the chest, back, and shoulders. Arms quilled, and ornamented with rosettes and hair locks.	N America	United States of America;Canada;		Plains Blackfoot Piegan?	Purchased 1893	Edward Martin Hopkins
1893.67.11	Pair of leather leggings with quilled openwork leather, fringed, bordered with red, white and blue bead-work, broad arrow designs on the feet. Possibly human hair.	N America	United States of America;Canada;	Unknown		Donated 1884	Augustus Henry Lane Fox Pitt Rivers founding collection
1917.23.16	Specimen of human hair.	N America	United States of America;Canada;	Straits of Juan de Fuca Port St Man ?	NW Coast ?	Donated 1917	James S. (possibly Sweetland) Dallas per William Johnson Sollas
2003.45.1	Club with oval stone head decorated with a lock of human hair, beadwork, and a possibly an eagle feather. May have been used in battle.	N America	United States of America;Canada;		Plains Cree; Blackfoot	Found unentered 2003	Unknown
1884.140.155	Human cranium, in poor condition, with some cultural deformation.	N America		Unknown		Found unentered Donated 1884	Augustus Henry Lane Fox Pitt Rivers founding collection
1884.86.1	Human cranium, the shape of which has been slightly elongated according to local cultural practice.	N America		Unknown		Donated 1884	Augustus Henry Lane Fox Pitt Rivers founding collection
2017.263.1	Human child's skull demonstrating cultural deformation. The cranium is [2017.263.1. 1] and the mandible is [2017.263.1. 2].	N America?	Canada?;			Found unentered 2 November 2017	Unknown
2017.264.1	Human skull, demonstrating possible cultural deformation and missing a section of the occipital. The cranium is [2017.264.1. 1] and the mandible is [2017.264.1. 2].	N America?	Canada?;			Found unentered 2 November 2017	Unknown
2017.265.1	Human cranium.	N America?	Canada?;			Found unentered 2 November 2017	Unknown
2017.266.1	Human skull comprised of cranium [2017.266.1. 1] and mandible [2017.266.1. 2].	N America?	Canada?;			Found unentered 2 November 2017	Unknown
1884.10.41	Human mandible; the teeth demonstrating wear and missing the Mandibular condyle and the ramus on the Proper Right.	N America? Australia?	Australia?;	Unknown		Donated 1884	Augustus Henry Lane Fox Pitt Rivers founding collection
1884.106.36	Specimen of human hair in wood and glass frame.	S America	Argentina?;Chile?;	Patagonia		Donated 1884	Augustus Henry Lane Fox Pitt Rivers founding collection
1884.106.37	Hair specimen.	S America	Argentina?;Chile?;	Patagonia		Donated 1884	Augustus Henry Lane Fox Pitt Rivers founding collection
1959.1.1	Human cranium. Cultural deformation due to binding. Coloured reddish from mud and dirt deposits.	S America	Bolivia (Plurinational State of);	Corocoro		Donated January 1959	Peter Matthews
1887.33.24	Trophy human head.	S America	Brazil;	Para, Rio Tapajoz	Mundurukú	Transferred 19 January 1887	Department of Comparative Anatomy, University Museum, Oxford (later Oxford University Museum of Natural History)
1929.16.17	Long, twisted cord of human hair, worn wound round the head.	S America	Brazil;	Matto Grosso West of Cuyaba Sao Lorenzo	Bororo	Donated May 1929	George Miller Dyott
1959.5.12 B	Ceremonial arrow with bamboo shaft and wooden point. Possibly human hair.	S America	Brazil;	Matto Grosso Region of the Rio das Mortes	Akwe Shavante	Purchased 1959	David Henry Peter Maybury-Lewis
1887.1.61.1	Mummified human cranium with hair present.	S America	Chile;	Arica y Parinacota Region Arica Province Arica unnamed grave site	Inka Inca	Transferred 1886	Oxford University Museum of Natural History
1899.57.1	Human cranium, the shape of which has been modified according to local cultural practice. The majority of the cranium is covered in soft tissue. Some thoracic vertebrae are present.	S America	Chile;	Antofagasta Region		Donated December 1899	John Arthur Gibbs
1899.57.2	Mummified human head. The head has hair, some of which has been braided. Some teeth remain in the skull.	S America	Chile;	Antofagasta Region		Donated December 1899	John Arthur Gibbs
1899.57.3	Mummified body of a human baby. The baby is in a crouched position and has blonde hair.	S America	Chile;	Tarapacá Region		Donated December 1899	John Arthur Gibbs
1887.1.61.2	Mummified human cranium. The head has black hair. The eye sockets and a part of the cheek bone are covered either in animal skin, human flesh or textile.	S America	Chile;Peru;	Arica y Parinacota Region Arica Province Arica unnamed grave site	Inka Inca	Transferred 1886	Oxford University Museum of Natural History
1887.33.23	Mummified human head. The head has blonde hair. Some of the flesh is missing which reveals parts of the skull.	S America	Chile;Peru;	Arica y Parinacota Region Arica Province Arica unnamed grave site		Transferred 1887	Department of Comparative Anatomy, University Museum, Oxford (later Oxford University Museum of Natural History)
1884.106.33	Specimen of human hair in wood and glass frame.	S America	Ecuador;	Unknown	Achuar - Shiwiar? Shuar?	Donated 1884	Augustus Henry Lane Fox Pitt Rivers founding collection
1884.106.34	Specimen of human hair.	S America	Ecuador;	Unknown	Achuar - Shiwiar? Shuar?	Donated 1884	Augustus Henry Lane Fox Pitt Rivers founding collection
1884.115.2	Trophy shrunken human head.	S America	Ecuador;	Unknown	Achuar - Shiwiar? Shuar?	Donated 1884	Augustus Henry Lane Fox Pitt Rivers founding collection
1884.75.1.1 - 2	Pair of ear pendants of strings of black seeds, with dangling bunches of green beetle elytra, tufts of human hair and pink white feathers.	S America	Ecuador;	Unknown	Achuar - Shiwiar? Shuar?	Donated 1884	Augustus Henry Lane Fox Pitt Rivers founding collection
1923.88.363	Shrunken human head with hair cut short.	S America	Ecuador;	Gualaquiza Zamora River	Achuar - Shiwiar? Shuar?	Donated 1924	Ronald Hawksby Thomas
1932.32.92	Shrunken human head decorated with string of green beetles.	S America	Ecuador;	Upper Sarantiago river	Achuar - Shiwiar? Shuar?	Bequeathed and donated July 1932	William Leonard Stevenson Loat
1936.53.42	Shrunken human head with lips stitched together and barkcloth, with two long streamers of beetle wing-cases.	S America	Ecuador;	Pastaza River	Achuar - Shiwiar? Shuar?	Donated November 1936	Ronald Hawksby Thomas
